**Subject:** sequence search for SPDI application 09/904,532

Hello,
   Would you please do a sequence search on the following:

         a sequence search on SEQ ID NO:127 against the amino acid database.

         a sequence search on residues 30-282 of SEQ ID NO:127 against the amino acid database.

         a sequence search on residues 1-229 of SEQ ID NO:127 against the amino acid database.

The SEQ ID NO: is from SPDI application 09/904,532.   Please save Percent Query Matches down to 80%

Thanks so much....
